APA 2020 IS GOING VIRTUAL!

After careful consideration, the APA 2020 Convention is now virtual, and will include:

- Inspiring keynotes addressing society’s most critical issues
- Collaborative, late-breaking scientific content
- Innovative posters
- Connections and community

Division 41 programming accepted for APA 2020 will occur on APA’s searchable virtual platform, with content uploaded by presenters. A digital version of the program book will be available on the APA website, and convention programming will be pre-recorded and made available on-demand for up to 12 months to watch when convenient. Interaction with the audience will be available through Disqus, a comment and question tool provided by APA. Live sessions may also be offered on Zoom at a specific time during the three days of APA 2020, with links made available in the session description on the searchable platform. The traditional clinical CE sessions (usually four- to eight-hour trainings) will take place during the week of conference but will be reduced to two and a half hours.

Registration costs will be reduced by over 85%:

- APA member, fellow, associate, APA community college teacher affiliate, APA international affiliate: $50 (originally $315)
- APA student affiliate, APAGS member, APA high school teacher affiliate: $15 (originally $100)
- Nonmember Full-time student: $30 (originally $195)
- Nonmember of APA: $75 (originally $495)

During the virtual convention, AP-LS will also host virtual hospitality suite programming open to division members, regardless of APA convention registration. **We would like input from membership: what additional programming would you like to see from AP-LS during the Convention? Please let us know!**

Your APA 2020 Division 41 Program Co-Chairs,

Natalie Anumba, Ph.D. (natalie.anumba@umassmed.edu)
Lauren Kois, Ph.D. (lekois@ua.edu)
Stephane Shepherd, Ph.D. (sshepherd@swin.edu.au)
